SR.NO.	PAGE NO	CLAUSE NO.	SUBJECT	QUERY OF BIDDERS	CLARIFICATION OF KPT
1	5 & 8	Clause No. 4.1.c Section - I	Pre-Qualification Criteria	Similar work: the bidder shall have experience of Major structural erection of ELL Cranes, Stacker, Re-claimer, stacker-cum-Reclaimer or design, manufacturing, installation & commissioning of 16T & above capacity ELL wharf Cranes, Stacker, Re-claimer, Stacker-cum-Re-claimer only mentioned, is not acceptable. Kindly also add and consider: The bidder shall have experience of major structural erection of the following four girder EOT Cranes, Goliath cranes, RMQC / STS cranes and heavy plant erection.	Similar work modified and may be read as under: "The bidder shall have experience of Design, supply, erection, testing & commissioning OR Erection, testing & commissioning OR Replacement of Slew Bearing of ELL Crane/ Stacker/Re-claimer/Ship loader".
2	10	Clause No. 8.1 Section - I	Site Visit	The Bidder, at his own responsibility and risk is encouraged to visit and examine the site of work and its surroundings and obtain all information that may be necessary for preparing the bid and entering into a contract for the work :- Sir during site visit it is seen Crane No - 1, is not in working condition.. so who will commission the crane No - 1 after replacement of slew bearing and if any delay happen due to this reason than payment for handling & taking over shall be release by Kpt.	Tender condition holds good. Even though the crane No.1 is not working since long, the contractor has to commission the crane after completion of the slew ring bearing. However, necessary spares will be supplied by the KPT free of cost. The contractor has to quote their rates accordingly.
3	14 & 28	Clause No. 28 Section - I & Clause No. 17 Section - II	Award Criteria	Sub Contract :- Contractors shall not be allowed to engage any sub contractor for all or any part of this contract. But, we can hire the manpower from other agencies to execute the work.	Tender condition holds good.
4	18	Clause No. 33.1 Section - I	Performance Security	Performance Guarantee shall be 10% of the contract price, of which 5% of contract price should be submitted as Performance Guarantee in form of Bank Guarantee, or Demand draft within 21 days, on recovered as retention Money from running Bills. Recovery of 5% retention Money to commence from the First RA Bill onwards @ 5% of the Bill Value form each Bill is not acceptable. We should not accept any deduction on R.A bills. we should give equivalent BG 10% of contract value and get paid for the full payment amount.	Tender condition holds good.

5	32	Clause No. 30.i Section - II	Employer's Obligation	Electricity and land for execution of the work at site shall be provided by KPT at free of cost.	KPT will provide the same free of cost.
6	33	Clause No. 34 Section - II	Access to the site	During site visit it is found that Crane No - 1, is not working condition from more than six month. If we are going to replace the slew bearing but other operation is not working so kindly clarify after replacement of slew bearing who will commission the crane No -1, and if any delay happened due to this reason than payment for handling & taking over shall be release by KPT. If crane is not operating for any reason, we shall get our payment after completion of our job.	Clarification given at Sr. No. 2 above.
7	37	Clause No. 53 Section - II	Hot Work	Fire work permission is to be provided by KPT free of cost.	KPT will provide the same free of cost. However, necessary formalities as per requirement, shall be carried out by the contractor.
8	37	Clause No. 55 Section - II	Valid Electrical Contractor License and Electrical Supervisor Certificate	This clause is not acceptable because we are not going to do Electrical work, we are doing the replacement of bearing.  This clause is not acceptable because we are working in company.	The OEM of the cranes are exempted to submit Valid Electrical Contractor License. While carrying out the Electrical works, Contractor will have to deploy a person, who is possessing Electrical Supervisory Certificate.
9	38	Clause No. 2 Section - III	Payment Terms	Payment Terms for Replacement of Slew bearing per crane is not acceptable in the given format: it should be incorporate payment terms as per last order mentioned in KPT accepted tender for replacement of slew bearing of crane No-2 & crane No-5 or like this because hiring of crane is as important part. i. 15 % payment shall be released after Mobile cranes reached in side the port on berth. ii. 10% payment shall be released after dismantling of super structure including secondary structures and TPI certification. iii. 10% payment shall be released after supply and fabrication of stretcher structure and TPI certification. iv. 30% payment shall be released after slew bearing replacement and TPI certification. v. 30% payment shall be released after reerection of dismantled super structures and TPI certification. vi. 5% payment shall be released after testing, commissioning and final taking over by TPI certification.	Payment Terms for Job work modified as under : <b>(1) Payment Terms for Replacement of Slew Bearing :-</b> (i) 15% payment shall be released after erection of Crawler Crane at the site.
